Alexandria, VA 22313-1450

The Examiner's Statement of Reasons for Allowance is understood to say that the claims are allowed because the prior art of record does not "teach where the pronunciation representation for the coda of the first word or the onset of the second word is additionally indexed if the phonetic pronunciation doesn't match its corresponding spelling" as recited in the claims. Should the Examiner disagree with this interpretation, he is invited to contact the undersigned at the number listed below or prepare a written clarification.
